Dear Grant Requester,

Please find the Federal Fiscal Year (FFY) 2018 Grant Proposal Guide on the GOHS website at <http://www.azgohs.gov/grant-opportunities/>. This guide will provide important information regarding funding criteria guidelines and the process. Please review to have a better understanding of the grant proposal process.

FFY 2018 grant request templates will be available January 27, 2017. The new templates can be downloaded from the GOHS website and are PDF fillable documents. Templates must be submitted to Grants@azgohs.gov for funding consideration. GOHS is confident the new proposal process will provide a more simplified and user-friendly method for submitting a grant proposal.

GOHS plans to provide an instructional video on our new Grant Proposal process and the submission method. The date is to be announced. The video will be under the Grant Opportunities tab listed as Grant Instructional Video under the FFY 2018 Grant Proposal Documents heading.

GOHS will conduct an in-house grant training session. This training is for Project Administrators and fiscal personnel. Space is limited to no more than two representatives from each agency. Please register your attendance by clicking the FFY 2018 Grant Proposal Training Registration link on the Grant Opportunities page. For more information, call our office at 602-255-3216.
